

## TRASHBEATZ

Workshop “music with trash”, October 5th at The Global Peace Games, The PEACE VILLAGE, Mesen.

About the workshop. Everyone has a sense of rhythm. Moreover, making music together creates a unique bond. During this workshop you will use all sorts of good-sounding trash to find cool tunes.

Regardless your background or musical talent, anyone can join. Creativity, musicality, listen to each other and discipline are key during these sessions.

Explore together with Trashbeatz your musical horizons and experience an unforgettable adventure. You start building your own drum with pots, pans, bottles, cans, kettles. With two drumsticks you will explore cool sounds and rhythms. Within your band / team you will create your own song.
