

Welcome to the Peace Field Project (PFP)

HUB SCHOOLS: This pack is designed to guide you through the PFP and support your programme. PFP is a cross curricular project which encourages extended curricular activities, inter community schools cohesion, inter-generational relationships, social inclusion and volunteers that would like to support any aspect of the project. Hub Schools act as their community PFP centre working with local schools, museums, sports clubs and partners. Hub Schools will take part in school trips, facilitate an exhibition of their PFP and host a sports event at their school which will officially twin the school's playing field with Flanders Peace Field.

LINK SCHOOLS: This pack is designed to guide you through the PFP and support your bespoke programme. Link Schools are invited to take part in the PFP sports day event hosted by their local Hub School. You are encouraged to organise your own bespoke PFP whereby you too can sign a declaration of peace to twin a designated area of play with Flanders Peace Field.

NETWORK SCHOOLS: This pack is designed to guide you through the PFP and support your bespoke programme. You are invited to organise your own PFP whereby you too can sign a declaration of peace to twin a designated area of play with Flanders Peace Field.
