The Children's Football Alliance (CFA) act as the custodians of the International Children's Football Alliance (ICFA), a registered charity providing Peace Education Through Play. Our vision is a world in which children and young people are valued, their rights respected and responsibilities enhanced through play at all levels; our mission, to advance the well-being of children and young people across all areas of play. The CFA mission is to **Protect Childhood Through Play.**

1914 Christmas Truces

AIM

The aim of the PFP is to create peace makers for the future. Through peace education, young people (inspired by the 1914 Christmas Truces) will absorb the essence of why fair play is important and begin to understand that sport can transcend conflict and cement friendships for life.

Lest We Forget

The PFP lends itself to cross curricular peace education through play (sports, history, literacy, arts, humanities and citizenship), community cohesion and intergenerational relationships.

Clubs / Schools are invited to sign a PFP Declaration, pledging to hold a games event once a year on their peace field to commemorate all wars and celebrate peace.

The Peace Fields Project is open to all sports clubs, primary schools, secondary schools and all communities, promoting sportsmanship and equal opportunities.
