

WELCOME TO THE PEACE FIELD PROGRAMME'S

GLOBAL PEACE GAMES

WHY AM I HERE? You are here to represent your community, school, club and country. You will be participating in a peace education programme that will teach you about conflict resolution, sportsmanship, citizenship, peace and reconciliation; ultimately, you will become a peacemaker for the future. You are here to have fun and make new friends and to learn about the importance of play whilst actively participating in multi-cultural games.

WHAT WILL I ACHIEVE? You will become an **Ambassador for Peace**. Once you complete the shared learning programme, you will gain competencies in Cultural Development and Humanitarianism, which will earn you a GPGs certificate, accredited by the International Children's Football Alliance.

HOW? You will connect your life experiences in a historic context. You will participate in all activities and challenge yourself in some new areas of learning.

CHALLENGE? After the GPGs, your task will be to return to your community, school, or college and advocate for celebrating peace through play on an anniversary, for example: International Day of Peace, Anti-bullying Day, International Women's Day, etc.

REWARD? All participants will receive a unique award, which is presented to people who play on the world-famous Flanders Peace Pitch.
