

THE PEACE CELEBRATION PERFORMANCE

Performance at the end of the week, preparation scheduled in the evenings during the week.

To conclude the Global Peace Games, we will hold a farewell party in the evening where the youngsters may showcase their talents during a short performance. They may do this individually or in groups. It can be a dance, a magic trick, acrobatics, or an exhibition of drawings, as long as the young people feel comfortable with it and it highlights their talents.

Planning and rehearsals for the performance are prepared in the evenings. The idea is for facilitators and volunteers to motivate, support and guide the participants.

The aim behind this performance and preparation is: to make young people reflect on their strengths, talents or feelings and find a form to express them.

Evening activities of 1 hour are scheduled into the timetable. We split the group for this activity. Pending numbers, there may be more than 2 groups.
