

**FAMILY**

Daisy and Charlie Cooper (CFA Patrons) have supported their Dad's (Paul Cooper) charity since its conception, 2010. The CFA provides FREE football for fun for all children. The CFA's projects range from the International Peace Fields Project, The Global Peace Games and Football Makes Our Shared History. Essentially, the projects twin designated areas of play with Flanders Peace Field, site of the First World War 1914 Christmas Truces, Mesen, Belgium.

The NCFA's peace education programme is a respite for mixed ability, mixed gender, special needs, refugees and migrant children to learn competences through play. The GPGs is an annual week-long event that celebrates the United Nations International Day of Peace. Many of the participants come from communities of concern and war-torn countries. Your support will provide happy memories.

**PROGRAMME : Saturday 10<sup>th</sup> Sept**

Starts 11am **PEEPERS GL54 3EE**

Finish 2pm **KEEPERS GL7 5BS**

***“The GLOBAL PEACE GAMES. I have had the pleasure of leading a lot of trips over the last 22 years but I can say without any hesitation that the experience the children were lucky to have in Belgium will change them forever. It really was a special journey we all enjoyed so a huge thank You, Paul and the team from all of us. It really is incredible what you guys do for children less fortunate.” Benjamin Wright, Special Needs Teacher”.***

**CHILDREN'S**  
**FOOTBALL ALLIANCE**

Through the CFA's **International Peace Fields Project (IPFP)**, there are over 50 peace pitches in 5 continents. The peace education project creates Peace Makers for the Future.

***“Celebrating peace through play is essential; over-look the benefits at our peril.”*** Ernie Brennan, CFA, CEO.
